

Oakdale Irrigation District Community Donation Application

The Oakdale Irrigation District allocates a budgeted amount each year for community service purposes to non-profit, non-political groups operating within the OID water service area and benefiting OID customers. In return for the donation, the OID must receive some form of promotion or recognition for their participation, including but not limited to a sign or posting or advertisement that will be seen by other OID customers.

The OID does not donate labor or equipment except as approved by its Board of Directors.

Organizations submitting a community service application for the first time are asked to provide a list of their Board members and a description of the organization.
