

# AG WATER RATES AND BILLING INFORMATION

2017

## Volumetric Billing

(billing based on volume of water used (per acre-foot))

- There will continue to be three billing periods each year:
  - Start of irrigation season through May 31st
  - June 1st through July 31st
  - August 1st through end of the irrigation season
- Due dates are 30 days from the statement date
  - Irrigation water deliveries will continue if not paid
- All current year charges that are not paid by December 31st at 5:00 PM will be assessed a 10% penalty
  - No water deliveries will be made in the subsequent irrigation season with any unpaid balances after December 31st

## Parcel-Charge Billing

(billing based on each parcel size (per acre))

- Statements to be sent out early November each year
  - Payable in two (2) installments
- First installment
  - Due December 31st
  - A 10% penalty will apply on charges that are not paid by 5:00 PM on the due date
  - No water deliveries in the subsequent irrigation season with any unpaid balances.
- Second installment
  - Due June 20th
  - A 5% plus \$5 penalty will apply if not paid by 5 PM on the due date
  - Water deliveries to continue if not paid by due date
  - If not paid by December 31st there will be no water deliveries in subsequent irrigation season with any unpaid balances
