

Mission Statement

To protect and develop Oakdale Irrigation District water resources for the maximum benefit of the Oakdale Irrigation District community by providing excellent irrigation and domestic water service.

Your credit will be applied to your account on April 3, 2017. You will be sent a statement regarding your Water Delivery account balance by April 10, 2017.

OAKDALE IRRIGATION DISTRICT

LANDOWNER NOTICE – March 31, 2017

The Oakdale Irrigation District Board of Directors approved a one-time per gross acre rebate of \$14.50 to be applied as a credit to all in-district water delivery accounts.

This rebate was made possible by landowner's conservation and wisely managing their water use during the 2016 irrigation season. As a result of your efforts, OID and SSJID were able to put in place an end of season water sale with the Department of Water Resources and 28 other agencies, represented by San Luis Delta Mendota Water Authority, (including 5 Stanislaus County agencies). If it weren't for this water release and sale the water would have reverted to the control of the Bureau of Reclamation without compensation.
